

PSYmore is a multi-cultural and international focused research nonprofit 501 (c) (3) research institution that provides and encourages capacity building skills in the research effort to perform leading-edge research with sound "qualitative" and "quantitative" methodology.

Our mission is to facilitate the scientific investigation of human consciousness in all of its varied forms that we believe have potential across all scientific disciplines. Psymore's guiding principle is built upon the idea that the development and on-going functioning of human consciousness has a direct impact upon societal values, cultural norms, religious and spiritual intentions, and the ultimate well-being and sustainability of humankind.

PSYmore's fiscal health is derived from multiple sources: our "Capacity Building Services," grants, donations, and funding sponsorships. Our Board of Directors, PIRB ethical review board for research, and Advisory Committee are all volunteers who willing give of their time and expertise to promote PSYmore's goals. Their contribution in-kind is of immense value.

You can help by donating cash, services, or by being a funding sponsor for PSYmore's projects or endeavors. For discussion as to what in-kind contributions that you may make, please e-mail: info@psymore.org, or telephone at (813) 968-6876 Eastern Standard Time Monday – Friday from 9:00 am – 5:00 pm.

Unless otherwise indicated all cash donations and funding sponsorships will be applied to PSYmore's general fund unless a specific project is specified. Your cash donation or funding sponsorship may be contributed via the below secure PayPal shopping cart by credit card or bank checking account.
